the tires doesn't
bother us...***

Storage + Ownership

You've dragged it through mud, creeks and nature. But, hauling your well-used gear back into the garage may leave your lawn mower feeling a little jealous. Don't let a little dirt get to you. Give both loves of your life the space they deserve with Garage Plus' customized, off-site garages. If you can use it outdoors, we can store it indoors.

Designed to your needs, for your gear.

Garages include:

- + 6 active use storage sizes, from 320-990 sq. ft.
- + 14'x14' fully-automated, secured doors
- + Radiant floor heating
- + State-of-the-art security system
- + Individually-metered 60 amp service (220v optional)
- + High-speed internet & cable TV hook-up
- + Customized add-ons including car lift, cabinets, loft, enhanced lighting & flooring

Community Benefits:

- + Secured, gated entry with 24/7 owner access
- + 2,600 sq. ft. Owners Clubhouse with big screen TVs, kitchen, pool table & more
- + On-site car and RV wash, RV disposal and air/water facilities
